OF GENEVA**

Key Stage 3 Overview

- Key Stage 3 spans ages 11-14 and is a pivotal phase in a student's educational journey.
- The British School of Geneva offers a dynamic Key Stage 3 programme, fostering academic growth and personal development.
- Key Stage 3 lays the groundwork for successful progression through later stages of education.
- Students benefit from French and Spanish language lessons as part of the curriculum, as well as Drama and Music.

Benefits of Key Stage 3

Holistic Learning

The Key Stage 3 curriculum covers a wide range of subjects, ensuring a well-rounded education.

Skill Development

Students acquire essential skills such as critical thinking, problem-solving and teamwork.

Confidence Building

Engaging projects and activities nurture self-assurance and a positive attitude toward learning.

Smooth Transition

Key Stage 3 effectively prepares students for the challenges of Key Stage 4 and beyond.

Exploration Opportunities

The programme allows students to explore their interests, fostering a love of learning.

Strong Foundation

Key Stage 3 builds the knowledge base necessary for advanced studies and future success.

The BSG Advantage

Experienced Educators

Dedicated teachers committed to fostering a supportive and stimulating learning environment.

Personalised Attention

Small class sizes ensure individualised attention and effective learning outcomes.

Extracurricular Activities

Opportunities to engage in clubs, sports and creative endeavors for a well-rounded experience.

“*I've made friends here that I probably wouldn't have met anywhere else. Everyone comes from different backgrounds, but we all feel part of the same community.*”
