A Levels Overview

- A Levels, short for Advanced Level qualifications, are internationally recognised academic qualifications.

- Offered at the British School of Geneva, A Levels provide students with a rigorous and comprehensive education.

- A Levels are a two-year programme, usually undertaken by students aged 16-18, preparing them for university and beyond.

Benefits of A Levels

Broadened Horizons

A Levels empower students to choose subjects of their interest, allowing them to specialise and explore their passions.

Critical Thinking

The programme emphasises analytical and critical thinking, fostering skills that are essential for higher education and beyond.

Global Recognition

A Levels are widely accepted by universities worldwide, offering students access to top-tier institutions.

Independent Learning

The programme nurtures independent study habits, enhancing self-motivation and time management skills.

Holistic Development

A Levels not only focus on academics, but also encourage personal development, communication and teamwork.

Customised Learning

Students can tailor their A Levels to align with their career goals, ensuring a personalised educational journey.

Subject Mastery

A Levels allows in-depth study of chosen subjects, building a strong foundation for future studies or careers.

The BSG Advantage

Highly Qualified Faculty

A team of experienced educators dedicated to providing quality instruction.

Supportive Environment

Small class sizes ensure individual attention and a conducive learning atmosphere.

Enrichment Activities

Beyond academics, students engage in extracurricular activities, fostering a well-rounded development.

“*What makes BSG special is the atmosphere. It’s ambitious and academic, but it’s also friendly and supportive, and you never feel alone.*”
